

ROBERT CAMPBELL	§	
VS.	§	CIVIL ACTION NO. 1:16-CV-353
VIRGIL WEAVER, <i>et al.</i> ,	§	

Plaintiff, Robert Campbell, an inmate formerly confined at the Mark Stiles Unit with the Texas Department of Criminal Justice, Correctional Institutions Division, proceeding *pro se* and *in forma pauperis*, filed this civil rights action pursuant to 42 U.S.C. § 1983 against defendant Gene Kroll.

The court has received and considered the Report and Recommendation of United States Magistrate Judge filed pursuant to such order, along with the record, and pleading. Plaintiff filed objections to the Report and Recommendation of United States Magistrate Judge. This requires a *de novo* review of the objections in relation to the pleadings and applicable law. *See* FED. R. CIV. P. 72(b).

After careful consideration, the court finds plaintiff's objections lacking in merit. Service of process is the ultimate responsibility of the plaintiff. Plaintiff has had since June 7, 2017 to find locating information for defendant Gene Kroll but has failed to provide the court with any information to attempt service on this defendant.

ORDER

Accordingly, plaintiff's objections are **OVERRULED**. The findings of fact and conclusions of law of the Magistrate Judge are correct, and the report of the Magistrate Judge is **ADOPTED**. A partial judgment will be entered in accordance with the recommendations of the Magistrate Judge.

**So Ordered and Signed**
